

May 30, 2021

Dear Friends and Colleagues,

First, I would like to thank you for all your support over the past seventeen months, whether it was a sponsorship, participation in our annual TDC-MIT Summit, our B2B Business Workshop or strategizing with us as we provided workforce development/training and diversity planning.

We appreciate you!

Our goal to provide annual scholarships for our youth in high school and post-secondary schools has been phenomenally successful. So far this year we have been able to raise \$15,000. and would like to double our efforts with your support.

We are announcing our 2021 “**21 Day Drive**” to raise \$30,000. and we are asking for your contribution. This year there are two ways to gift direct donations: The first, is payable by check to TDC or utilize the below QR code. The second, is by purchasing equipment such as laptops, iPads, or WiFi hotspot service. Feel free to make arrangements with our Operations Manager, Traci Myers at energy33@ymail.com; (646)208-5066 to answer any questions or for delivery/pick up of laptops or iPads which will be distributed at our partner school: Bronx Design & Construction Academy June 23, 2021 during their graduation ceremony.

Please make your donations right away!
