Once every five years, MTA's Construction & Development Agency prepares a comprehensive and strategic Capital Plan, describing the MTA's investment strategy in the five boroughs and beyond. All capital projects that are designed, developed, and delivered in the subsequent period are derived from the Capital Plan. Register to learn how the Capital Plan will impact Certified Minority and Women-Owned Business Enterprises (MWBE), Service-Disabled Veteran-Owned Businesses (SDVOB), Disadvantaged Business Enterprises (DBE), and Small Business Concerns.
